

***CANADIAN YOUNG PEOPLE ARE STANDING
TOGETHER AGAINST LEPROSY!***

Dear Friends,

Thanks for joining us as we help make leprosy a thing of the past!

In the next two minutes, another man, woman or child will find out they have leprosy. The diagnosis will bring fear, shame and an intense discrimination from their community and even their family.

By joining us in the fight against leprosy, you are standing along side these people who desperately the cure and care that will help them look towards the future with hope.

This package contains everything you need to host a successful Cured not Cursed event:

- Leader's guide
- Donation sheets
- Posters
- Mitts
- DVD about leprosy

Please read through the materials carefully and if you have any questions you are welcome to call me personally.

Remember! All donations should be collected at the celebration party at the end of the event and sent to the Leprosy Mission as soon as possible.

Thank you for joining with youth around the world to make leprosy history. Your lives will be changed as you seek to change the lives of those with leprosy.

Sincerely,

Jennifer Chase
Cured not Cursed Representative

PS. Those who have completed the event successfully will receive a certificate confirming the completion of 12 volunteer hours towards their high school graduation requirements. Certificates will be sent once all sponsorship money has been received by the Leprosy Mission.
